

Early Years Talk-Talk

Friday 1<sup>st</sup> February 2019

### Message from Early Years

What a fantastic start to our new theme 'How many colours are in a rainbow'. The children had lots of fun on Monday learning all about different artists such as Van Gogh and Picasso. They created different pieces of art work which will be displayed in the entrance to Early Years next week. Not only have we started a new theme but we have also been reading a new story linked to our theme 'Elmer'.

In Maths Mastery this week, we have been looking at daily routines, events, seasons and months. The children have ordered the days of the week and have drawn their own pictures of activities that happen on specific days.

In the classroom we have been completing lots of exciting activities such as making a patterned Elmer using pom-poms and paints, making a shaped Elmer, writing about Elmer, writing a list of mini beasts, making our own stories using the puppet theatre and making models in the construction area.

During the afternoons we have been learning how to use the program 'paint' on the interactive whiteboard. We have had lots of fun drawing different pictures. We have also had lots of fun taking funny pictures.

### PE Sessions

Please ensure your child brings their PE kit into school. Your child's PE kit can be kept at school and they will then bring it home at the end of each half term. Without a PE kit your child will not be able to participate in the session.

### Nursery

Children will have PE sessions every Friday. If your child stays for the afternoon, please ensure that you provide your child with forest clothes as they will be participating with the Reception children in the Forest.

**After half term we will be starting our new theme 'Are Eggs Alive'. We would love to start our theme by showing the children some eggs, chicks and hens. We would like you to contact us if you know anybody that keeps chickens or has access to baby chicks. We would greatly appreciate it if you could bring them in to show the children. Please contact Miss. Morton if you can help us!**
