

17th January 2020

Dear Parent/Carers,

SATs Meeting – Tuesday 4th February 6.00pm
SATs week – 11th – 15th May

I am sure that you are more than aware by now that the time for your child to sit their Standard Assessment Tests (SAT's) is fast approaching. There is no doubt that it is an important time in their educational career and meeting the national standard/expectation in these tests is closely linked to future targets and even outcomes at GCSE level.

The children have been working hard in all National Curriculum areas throughout their time here at Chadsmead and over the coming weeks we will be preparing them further for the challenges of their SATs which will be in English and Maths.

We would like to offer you the opportunity to receive further information about the SATs and also give you the chance to ask any questions you may have relating to them. We have therefore organised a 'SATs Evening' where you are invited to come along to school to hear a short presentation, see the 2019 papers and look at how results will be reported to you. We will also make suggestions of how you can help at home.

The meeting will be **Tuesday 4th February at 6.00pm.**

I sincerely hope that you are able to make the meeting and would be grateful if you could confirm your attendance by returning the slip below as soon as possible.

We look forward to seeing you on the 4th February.

Yours sincerely

Mr A Stevens

Year 6 Teacher

Child's Name _____ Class _____

I confirm that **I will / will not (please delete accordingly)** be attending the Year 6 SATs Meeting on Tuesday 4th February 2020 at 6.00pm.
