

### Message from Early Years

We would like to say thank you to everyone who came to our Christmas Crafts morning. We hope you enjoyed it as much as we did. The children thoroughly enjoyed making different Christmas things.

As well as the workshop we have been completing other exciting activities such as writing a letter to Santa, writing invitations to invite parents and carers to the nativity, making a named snowman, painting Christmas pictures, making new toys using the construction resources, making winter themed animals using the playdough and much more.

In Maths Mastery this week Reception have been looking at ordering objects by size, both by height and length. The children have been fantastic at using the correctly vocabulary e.g. **short, shorter, shortest, longest, longer, short, big, biggest, bigger, small, smaller, smallest.**

### Christmas Performance

The children have been doing a super job with practicing their performance and are ready to perform! We are only allocating two spaces per child due to space in the KS1 hall, please be mindful of this! Please wait outside the KS1 hall door (Jozone entrance). Doors will open at 9am (after the school bell). There will be an opportunity to buy a hot drink and raffle ticket. Thank you for your support.

### STAR OF THE WEEK

#### Faye

for always having a positive attitude with her learning and trying really hard.

### Phonics

This week in phonics the children have been practicing the sounds previously taught. The children have been practicing their blending and spelling using 'Fred Talk' and 'Fred Fingers'.

### What's on next week

#### Wednesday 19<sup>th</sup> December:

- EYFS Christmas Performance (9.30-10.30am)
- Children's Christmas Dinner

#### Friday 20<sup>th</sup> December:

- Last Day of Term

**\*\*Homework this week is to practice lines, songs and actions ready for next week\*\***
